

# Patient Participation Group December 2018

As at December 2018, we have 141 members of our Patient Participation Group. The group is contacted by email for their views and feedback on the service we offer.

The group is made up of a mix of patients who visit the surgery regularly, occasionally and very rarely. The group includes :

- Carers
- Older People
- People with long-term conditions
- Mothers with babies and children
- Young people
- The working age population and those recently retired
- People in vulnerable circumstances who may have poor access to primary care
- People experiencing a mental health problem

If you are interested in joining the Patient Participation Group please see Debbie in the reception team, who can give you more information.
