

September 2013 Patient survey

We would like to provide increased Phlebotomy Clinics at Kingsway Medical Centre. To gather evidence to support this request, patients were asked the following questions :

Would you prefer to attend Kingsway Medical Centre, rather than a different venue for blood tests?

YES 106 patients

NO 8 patients

Would it be more convenient if the Phlebotomy Clinic was held on two different days, offering more choice?

YES 109 patients

NO 5 patients
